

IIM- COEP Lecture Series

An invited lecture on

Excitements in Nano Science and Technology

by

Prof. B.S. Murty

Dept. of Metallurgical and Materials Engineering
Indian Institute of Technology Madras
Chennai 600036, INDIA

on

Date: Friday : 4 Feb, 2011, Time: 3.00 PM

**Venue : Room No. 6 Main building
College of Engineering, Pune**

About Distinguish Speaker

Born in Vijayawada in 1964, B.S. Murty started his career in Metallurgy with a Diploma (1983) in Government Polytechnic, Vijayawada (State second rank) and got his BE from VRCE, Nagpur (1986) (University first rank). He obtained his ME (1988) and PhD (1992) from IISc, Bangalore. After serving IIT Kharagpur as a faculty member during 1992-2004, he is currently a Professor of the Department of Metallurgical and Materials Engineering, IIT Madras. He is a Fellow of ASM International (2010), Fellow of Indian National Academy of Engineering (2007), Fellow of Indian Academy of Sciences (2008), Fellow of National Academy of Sciences (2008) and the recipient of Shanti Swarup Bhatnagar Award (2007), Platinum Jubilee Award of ISCA (2009), Distinguished Alumnus Award of VNIT Nagpur (2010), Metallurgist of the Year Award and Young Metallurgist Award (1994) of Ministry of Steel and Mines (2004), MRSI Medal (2004), INAE Young Engineer Award (1997), INSA Young Scientist Award (1995), ISCA Young Scientist Award (1990). His fields of interest are nano materials and other advanced materials. He has authored about 280 publications. He is the Editor of Transactions of IIM and Key Reader to Metallurgical and Materials Transactions. He has supervised 23 PhD (and 9 ongoing) and 31 MTech theses. He has filed ten patents. He has 38 completed and 7 ongoing sponsored research projects (about 5.7 and 8.2 Crore Rupees, respectively)

All are cordially invited.

Dr. P. P. Deshpande
Dept of Metallurgy and Mat Science
College of Engineering Pune - 411 005
